Provision of requested information

Thank you for your request for information about flooding incidents in 2003, which we received on 17 June 2024. Your request has been considered under the Environmental Information Regulations 2004.

I attach a spreadsheet showing all the flooding incidents reported to Anglian Water in 2023. The data shows the ownership of the sewer, the location with 3 or 4 digit postcode and the action taken. We are unable to provide the full postcode under GDPR.

You are free to use it for your own purposes, including any non-commercial research you are doing, and for the purposes of news reporting. Any other re-use (for example, commercial publication) would require the permission of the copyright holder. It is important that this data is not published for security reasons.

If you are unhappy with the service you have received in relation to your request and wish to request an internal review, you should write to:
